TUI ACADEMY

The TUI e-Academy is an online learning platform which provides access to digital education in tourism destinations for disadvantaged young people and for those already working in tourism.

It offers learners the skills they need to consolidate and expand their knowledge, and promotes employment development through upskilling and reskilling.

The e-Academy's main objective is to provide high-quality, free-of-charge online training to empower employability and job creation in tourism destinations worldwide.

Career Academy

TUI ACADEMY

Looking to start a career in the exciting world of tourism or hospitality? The Career Academy offers an excellent opportunity to kick-start a career in tourism destinations. Extensive courses will help participants learn about the different careers in tourism and hospitality, understand the basics of the industry and gain a first-hand insight on the skills required. Students will learn about a variety of job roles within the industry including tour guiding, hospitality, entrepreneurship, and discover the range of skills required to be successful.

Sustainability Academy

TUI ACADEMY

The future of tourism is sustainable - now is the time to transform the industry. The Sustainability Academy provides a range of courses designed to upskill and reskill tourism professionals working in environmental management, social governance and sustainability. The courses aim to equip learners with the knowledge and tools they need to make their organisation a frontrunner in sustainability and create a positive impact on their destination and the world.
